## Independent Drug Chain Benzer Pharmacy, Welcomes First Franchise Pharmacy in Oklahoma

Patients Providing pharmacy franchise opportunities to spur growth in the U.S.

Benzer Pharmacy today announced that it has opened a pharmacy through its franchise model in the state of Oklahoma.

The store located at 219 Dewey Avenue, Poteau, OK 74953 will officially be the very first brand in the state of Oklahoma and the pharmacy is thrilled to be reaching more people.

"I am delighted to be part of Benzer Pharmacy, a nationally known brand here in America. I am specifically impressed with the organization's professionalism and spirit of teamwork." Says Ankur Shah, Benzer Pharmacy Manager at Oklahoma store.

Benzer Pharmacy, a chain of independent retail and specialty pharmacies introduced its

franchise model early this year with an aim of providing independent pharmacies with a platform to leverage their collective strength under one brand.

Pharmacy owners seeking to sell their independent pharmacies should take advantage of Benzer Pharmacy's approach to franchising.

"Benzer Pharmacy franchisees will instantly receive: the credibility and recognition of a large national brand, reduced cost of goods and expenses, full access to expert HR, marketing, accounting, compliance and operational support, cutting edge business coaching to optimize all the key areas of operations, and access to the full spectrum of specialty medications." Explains Binita Patel, Benzer Franchise development manager. ■
