

Patient Rights and Responsibilities

****Please sign and return this page****

Patients have the Right to:

- Be fully informed in advance about care/service to be provided, including the disciplines that furnish care and the frequency of visits, as well as any modification to the plan of care
- Be informed, both orally and in writing, in advance of care being provided, of the charges, including payment for care/service expected from third parties and any charges for which the client/patient will be responsible
- Receive information about the scope of services that the organization will provide and specific limitations on those services
- Participate in the development and periodic revision of the plan of care
- Refuse care or treatment after the consequences of refusing care or treatment are fully presented
- Be informed of client/patient rights under state law to formulate an Advanced Directive, if applicable
- Have one’s property and person treated with respect, consideration, and recognition of client/patient dignity and individuality
- Be able to identify visiting personnel members through proper identification
- Be free from mistreatment, neglect, or verbal, mental, sexual, and physical abuse, including injuries of unknown source, and misappropriation of client/patient property
- Voice grievances/complaints regarding treatment or care or lack of respect of property, or recommend changes in policy, personnel, or care/service without restraint, interference, coercion, discrimination, or reprisal
- Have grievances/complaints regarding treatment or care that is (or fails to be) furnished, or lack of respect of property investigated
- Confidentiality and privacy of all information contained in the client/patient record and of Protected Health Information (PHI)
- Be advised on the pharmacy’s policies and procedures regarding the disclosure of clinical records
- Choose a healthcare provider, including choosing an attending physician, if applicable
- Receive appropriate care without discrimination in accordance with physician’s orders, if applicable
- Be informed of any financial benefits when referred to an organization
- **Be fully informed of one’s responsibilities:**
 - To submit forms that are necessary to receive services
 - To provide accurate medical and contact information and any changes
 - To notify the treating provider of participation in the services provided
 - To maintain any equipment provided
 - To notify the organization of any concerns about the care or services provided
